Mission Statement

Young People Who Care, Inc. is a Catholic grassroots ministry. YPWC provides a wide, ecumenical circle of care among those who give and those who receive. Its members are committed to creating a wholistic and nonjudgmental environment where the exchange of culture, education and training empower individuals and groups. While adapting to changing times and needs, prayer, hospitality, simplicity and service remain constant characteristics of Young People Who Care, Inc.

The United States Conference of Catholic Bishops, in its 2005 Charter for the Protection of Children and Young People, mandated that all dioceses "are to make clear to clergy and all members of the community the standards of conduct for clergy and other persons in positions of trust with regard to children (article 12 of the Charter)."

Accordingly, all participants in the Young People Who Care Service Program, who are 18 years or older while attending the program, must have successfully completed the "safe environment" program as implemented by your (arch)diocese.

List the requirements that the adult named above has completed as mandated by your (arch)diocese.

For example, the Diocese of Erie requires the following: Act 33-Child Abuse History Clearance, Act 34-PA State Police Clearance, Inservice on Policy for the Protection of Children, Statement of Compliance to Policy as well as an Application for Volunteering. All these are to be on file in the parish.
